KAGENO

**JULY 3-10, 2010**

**HAVE YOU ALWAYS LONGED  
FOR AN AUTHENTIC AFRICAN  
ADVENTURE?**

**DO YOU DESIRE A PROFOUND CONNECTION TO COMMUNITY,  
BEAUTY, AND NATURE WHILE PARTICIPATING IN AN  
UNFORGETTABLE SERVICE AND YOGA EXPERIENCE?**

Please join us as we work with and practice yoga alongside indigenous villagers in Banda Village, Rwanda; connecting our mind, body, and spirit with the people of this magical African land.

KAGENO's mission to transform impoverished communities into places of opportunity and hope will be our guiding principle as we share an expedition into service and sanctity.

This unique adventure offers an intimate, private glimpse into daily life in a remote, African village that only a handful of individuals from around the world have been fortunate enough to experience.

In addition, come face to face with a family of mountain Gorillas, trek deep through the bush to find chimpanzees, see rare birds, orchids, monkeys and much more!

Investment for this life-enhancing journey into the depths of the heart: \$4,500.

**Cost includes all meals, lodging, land transfers, service project expenses, boat transport, national park fees and permits, and Gorilla Trek permit.** *For more information on how to unite with this intimate and select group of like-minded adventurers, contact Frank Andolino at [frank@kageno.org](mailto:frank@kageno.org) or check out [steadfastfreedomyoga.com](http://steadfastfreedomyoga.com) and [kageno.org](http://kageno.org).*
