On behalf of the Kageno communities in Kenya and Rwanda, thank you for your continued support!

It is only through your commitment and support that we are able to transform the communities we serve into places of opportunity and hope. Donations, no matter how large or small, can make a big difference: from buying a chicken to helping build a school or a clinic. Every little bit helps. Please join us and make lasting, positive change in the lives of people in need - donate now to one of our projects and change lives.

Sincerely,

The Kageno Team
